

JOB OPPORTUNITY

Working Foreman with Management Responsibilities Full Time – On-site Residency

Nonprofit meditation retreat center with 75 acres in the Santa Cruz Mountains seeks mature, well-organized, detail-oriented individual with experience in the trades to manage and work with a four-person land and facilities maintenance team.

Duties include:

- Scheduling and work oversight
- Light carpentry, electrical, plumbing, and rural systems maintenance (solar, spring water, road)
- Interfacing with senior managers, staff members, and outside sub-contractors
- Requires proficient computer skills and small engine experience (chainsaw, weed whacker, etc.)
- Willingness to help support other departments.

This is a live-in position. Compensation includes subsidized housing, some meals, dental insurance and health insurance premium reimbursement up to a limit, and an hourly wage. It is a thirty-five hour work-week schedule with occasional flexibility due to weather or other emergencies. Position opens May 1st, 2017. Deadline to apply April 21st, 2017.
